Project Blurb (Tailored Diet)

- **Goal 3: Good Health & Well-Being.**

  3.4 By 2030, reduce by one third premature mortality from non-communicable diseases through prevention and treatment and promote mental health and well-being.

  3.8 Achieve universal health coverage, including financial risk protection, access to quality essential health-care services and access to safe, effective, quality and affordable essential medicines and vaccines for all.

- **Currently, there is no platform that provides diet plans for specific health issues.**
- **Provide a well organized diet plan tailored for specific health issues, that also correlates to medications, and provide platform that caters to patients battling with health stigma.**
